PARTNER SPOTLIGHT

Validate the skills. Verify the history.

TestGenius pre-employment skills testing and Verified First background screening give employers a fuller, faster read on every candidate, from application to first day.

STEP 1 **Candidate Applies** → TESTGENIUS **Skills & Ability Testing** → VERIFIED FIRST **Background Screening** → STEP 4 **Onboard**

Why the two pair well

A complete candidate picture

TestGenius confirms a candidate can do the job. Verified First confirms their history. Employers get both sides before hiring.

Speed on both ends

TestGenius scores skills assessments instantly. Verified First backs that with industry-leading background screening turnaround, keeping the full hiring timeline tight.

Built for compliance

TestGenius's Validation Wizard sets job-related, defensible cutoff scores. Verified First's screening process is FCRA-compliant and PBSA-accredited. Two vetted, compliance-minded partners.

Why employers nationwide trust Verified First for background screening solutions:
